## Reporting Reminders:

**CBP and BPD:** Report 2 CPT II codes; one for the lowest systolic value and one for the lowest diastolic value measured during the encounter.

**HBD:** Report the appropriate CPT II code for the A1c result value with the date of test, not the date of the office visit when the test was reviewed.

**EED:** Any provider can report the appropriate CPT II code for the eye exam results. It does not have to be reported by only the ophthalmologist or optometrist.

**TRC:** Report the medication reconciliation post-discharge when performed either via a telephone call or during the Transitional Care Management office visit
