

Online prior authorization submissions

Why should you submit your prior authorizations online?

Optum Pro Portal and the referrals & prior authorization module (Curo) offers you access to online, on-demand health care administration. With these tools, you can spend less time, energy and resources on admin tasks and more on what matters most – your patients.

Easy-to-use

Optum Pro Portal and the Referrals & Prior Authorization module (Curo) were designed with you in mind. They offer **simple, intuitive** interfaces that make it easy to find what you need and complete tasks.

Efficient

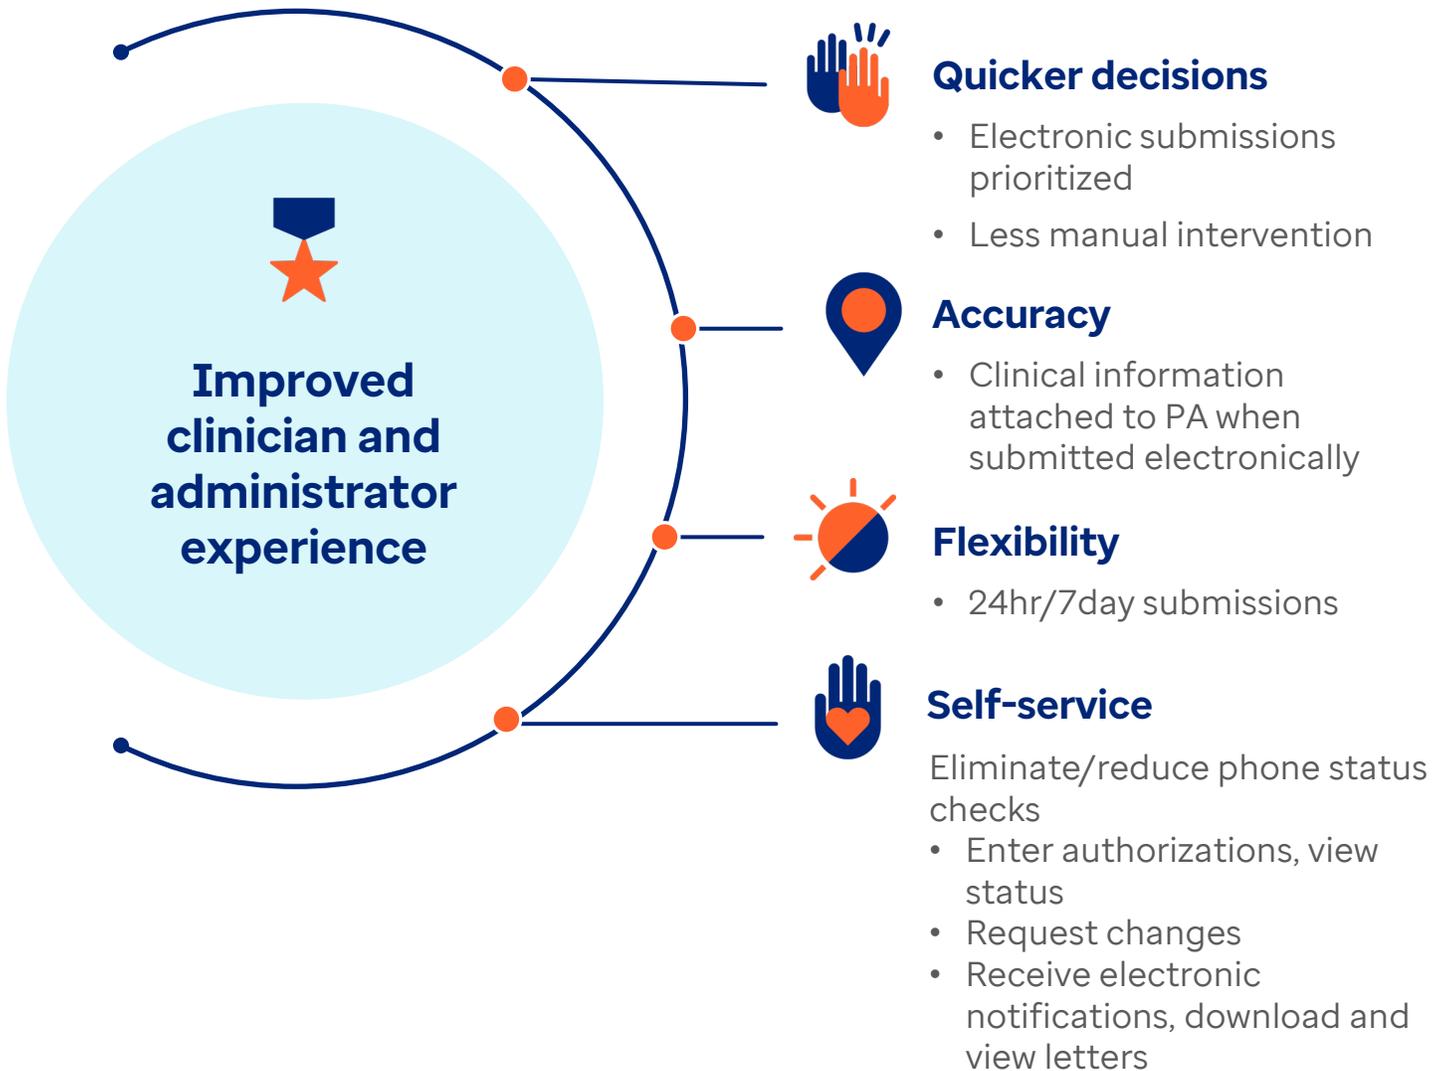

Stop wasting time juggling multiple different administrative accounts. With the portal, all the tools and information you need are in one place, helping your team **work faster and smarter**.

Personalized

This is not a one-size-fits-all approach. These systems provide a **customized dashboard** for each team member based on their role, saving time and improving security.

See what the referrals and prior authorization module offers you:
