

# We're making it easier to be HSA savvy

## Connect with answers to your HSA questions at home and on the go.

If you own a Google Home or an Alexa-enabled device, you can easily connect to Optum Bank anytime a question arises by simply engaging your in-home virtual assistant.

When you're on the go, access this great resource by downloading Google Assistant or the Amazon Shopping app via your smartphone app store.

## HOW TO ACCESS THE CAPABILITIES WHEN AVAILABLE:

### At home:

- Alexa-enabled devices (Echo, Dot, Show): Download the Optum Bank "skill" through your Alexa app. Then simply say "Alexa, ask Optum Bank ..." or "Alexa, connect me to Optum Bank" and follow the prompts.
- Google Home: Just say "Ok, Google, ask Optum Bank ..."

### On the go:

- Amazon Shopping app: Enable the skill by tapping the microphone icon in the search bar, and ask away.
- Google Assistant  
*Android:* Hold down the home button to access the assistant. *iPhone:* Download the Google Assistant app.

*OK, Google.*

*Good morning, Alexa.*

## JUST ASK ALEXA OR GOOGLE

- Waiting in line at the pharmacy and want to know if something is a qualified medical expense? Just ask.
- Forgot this year's contribution limits and don't want to over-contribute? Find information about the IRS guidelines, who can contribute and catch-up contributions.
- Getting ready for tax time? Find out which tax forms you'll need.
- Need to get in touch? Get Optum Bank customer service hours and contact information.
- And so much more.
