

The Optum Experience Center

Inspiring innovation and collaboration to power modern health care

At Optum, we're dedicated to helping make the health system work better for everyone. Driven by our core values of integrity, compassion, relationships, innovation and performance, we're working to make a healthier future happen for everyone we serve. That goal is best reached collaboratively, by bringing partners and perspectives together to solve health care's greatest challenges.

Enter the Optum Experience Center, a state-of-the-art environment for making connections, strengthening partnerships and exploring possibilities.

A forward-thinking approach to the future of health care

The Optum Experience Center is a unique environment for industry leaders, clients and our partners to learn more about the holistic impact of Optum technologies and solutions; sparking collaborative conversations and inspiring new thinking.

Designed to inspire, the space offers guests a comprehensive view of the health care landscape. It's a place to envision new approaches and strategies for your business. You'll leave with the knowledge of how Optum is responding to changing industry demands with innovative products and services.

The Optum Experience Center

The Experience Center features:

- A bright and modern environment with the latest amenities including interactive multi-media, catering and concierge services
- A range of meeting spaces that are conducive to all forms of collaboration — from large group discovery sessions to focused, one-on-one discussions
- A view into the Optum Operations Center providing real-time access to Optum activity across the world
- The Showcase, offering guests a comprehensive view of health system challenges and Optum's solutions

Bring your vision to life

In today's changing health care environment, organizations are facing increasing pressure to improve patient outcomes and population health while reducing costs. At the Optum Experience Center, we'll work with you to understand your challenges, identify opportunities and show you how our tailored expertise, data and technology can help you meet your goals.

- Engage with Optum leaders and solution specialists to address your challenges in a dynamic environment
- Explore the depth and breadth of Optum capabilities and innovations
- Interact with our latest tools, applications and programs while gaining broad perspectives on the state of the industry
- Work with innovators with deep health care and technology experience, ready resources and business tools to support your specific needs

About Optum

Optum is a leading health services and innovation company dedicated to helping make the health system work better for everyone.

Optum combines technology, data and expertise to improve the delivery, quality and efficiency of health care.

Optum collaborates with all participants in health care, connecting them with a shared focus on creating a healthier world. Hospitals, doctors, pharmacies, employers, health plans, government agencies and life sciences companies rely on Optum services and solutions to solve their most complex challenges and meet the growing needs of the people and communities they serve.

Plan a visit

As partners in improving the health system, we're facing challenges that require more collaboration and innovative thinking than ever before. The Optum Experience Center is the ideal space to explore the evolving health care landscape.
