

How to review your health account balance

Here's how to find your health account balance.

Account dashboard

1. To access your account dashboard, sign in to optumbank.com/tennessee.
2. On the left-hand side, a list of all of your health accounts will appear. Depending on which account types you have, this may include, a health savings account and/or a flexible spending account.
3. The dollar amount displayed under **Total Funds** is the total balance of all of your health accounts, if you have more than one.
4. Below this, each of your accounts is listed with its respective balance. Click **Account Overview** to navigate each account.
